

Montgomery County Waste Tire Collection

No Cost

Date: Saturday, April 1, 2017

Time: 9:00 a.m. to Noon

The Kansas Department of Health & Environment in conjunction with Montgomery County is providing individuals the opportunity to properly dispose of their waste passenger and light truck tires at no cost.

NOTE: A limit of 7 tires per vehicle will be accepted. *Tires on rims will not be accepted.*
If you have more than 7 tires, you MUST sign an affidavit specifying that the tires belong to an individual and are not affiliated with any retailer or automotive related business.

***Disposal services will require proof of residency
in Montgomery County, Kansas.***
